Buttons style
Posted by Pii - 2011/11/25 16:31

_____

How can I reset your buttons style and make them simillar to my site buttons?

_____

Hello,

Could you provide a link to a page where we can see your site buttons?

Regards,
ARI Soft

_____

It requires to modify template files because your site template uses specific HTML code for buttons. It looks like:

Template files are located in \components\com_ariquiz\view folder.
