
How to turn off quiz timer?

Posted by neotech7 - 2009/09/14 18:27

Hello,

I need to run my quiz without it being timed, is there a way to turn this option off?

Thanks

Hello,

Yes, you can set time settings to '0' in quiz settings.

Thank you, I had to change it in two places. The quiz and in the question category.

Thank again
