## Translation of Page Nav

Posted by logz05 - 2008/09/30 08:28

---

Hi,

Where can I translate:

Display#: 1 2last >>(1 of 1)

That appears in the bottom of the page after taken a test?

Thanks

=====

Hello,

It looks like this is missing feature for front-end. We are going to add this soon and let you know.

Hello,

We've implemented this feature. Please check your email for updated component.
