I can\'t get ARI QUIZ Maths working

Posted by franek - 2014/04/23 16:19

_____

I've installed and enable the plugin (System - ARI Quiz MathJax) but still when i add a questions for example $\(ax^2 + bx + c = 0\)$ = ?   or \sqrt{\frac{8}{2}}
it doesn't show as a mathematical expression on the frontend.

Please help

Thanks

_____

Hello,

Could you send a link to a quiz where we can see the problem?

Regards,
ARI Soft

Hi,

Here is a link: http://infoivoire.com/index.php/test-quiz?online=yes

Thanks

_____

Try to open plugin settings page and re-save plugin settings. If it doesn't help, could you provide a temporary access to your J! backend by email so we can investigate the problem in more details?

Regards,
ARI Soft

_____

Yes, re-saving the plugin seems to have solved the issue.

Thank you
