1064 - You have an error in your SQL syntax Posted by snzhuravlev - 2014/04/24 12:01
Hi
I've created a category and its associated menu, when viewing this menu item, I get the following error
1064 - You have an error in your SQL syntax; check the manual that corresponds to your MySQL server version for the right syntax to use near ') GROUP BY Q.QuizId' at line 9 SQL=SELECT Q.QuizId, COUNT(SI.QuizId) AS CompletedCount, MAX(SI.Passed) AS Passed FROM ljleb_ariquiz Q LEFT JOIN ljleb_ariquizstatisticsinfo SI ON Q.QuizId = SI.QuizId AND SI.UserId = 851 WHERE Q.QuizId IN () GROUP BY Q.QuizId
Please help
Thanks

Hello,
Download and upgrade the extension. It should help.
Regards, ARI Soft

Normal :)
Thanks.
