_____

There is no functionality right now. We are thinking of adding such feature in future.

Regards,
ARI Soft

_____

I'll add my vote for this feature.

As with most things online, the more page loads you have the user experience, the more likely they will abandon the process.

_____

Did you achivied at last?
I'm also really interested in show more than one question (in 1 page).
Thanks

_____

Hello,

Unfortunately the component doesn't support this feature, but we'll add this feature in one of future releases.

Regards,
ARI Soft
