my license is still in test Posted by motasim - 2008/11/24 08:55	
my license is still in test. I have bought it. But still in my member ship area there is no full license. me where is the problem?	Could you please tell
Re:my license is still in test Posted by admin - 2008/11/24 09:22	
You may now login to member area and generate full license key.	
Sorry for inconvenience.	
Regards, ARI Soft
