
Quiz Results

Posted by xoft - 2014/07/09 07:31

Hi,

Is there way to edit the position and style of the quiz results.. aside from loading it from ajax to display the results if its possible just display it no ajax?

Thanks

Hello,

Position of quizzes results can be changed in template file. The extension loads the results only via AJAX.

Hi,

I mean the quizcomplete..where can I find the template file for the quizcomplete file? I wanted to edit the position of the results of quiz.. and if possible can I have unminify js of question.js, ari.quiz.js, ari.all.js and templates.js
