## Restoring Quiz Results

Posted by leeander50 - 2014/07/17 16:03

---

I had someone delete all quiz results by mistake. How do I restore them? We do maintain backup copies of the site and the database.

Hello,

You can restore tables which are used by "ARI Quiz" extension from the latest backup (tables with prefix #\_\_ariquiz)

Regards,  
ARI Soft
