
Quiz for Registered Users only

Posted by dalviolessa - 2014/07/17 18:13

Hi.

Is it possible to turn a quiz accessible only to registered users? How?

IÂ’ve tried to turn option "Anonymous access" to "No", but it presents only the "Yes" possibility.

Thanks. <http://www.ari-soft.com/images/fbfiles/images/x001.jpg>

Hello,

See "Access" parameter.
