
Ouiz Questions disappeared

Posted by wellgolly - 2014/08/04 16:31

After I update, to Joomla 3.3 my quizzes and questions have disappeared. How did this happened. Also I did a backup for Akeeba, can I restore them with this? Thanks.

Hello,

We need to see the problem so we can investigate it. Could you provide a temporary access to your J! backend by email?

PS: Send your order number by email please.

Regards,
ARI Soft
