Import answer to CSV
Posted by viann - 2014/08/05 13:38
_____

HI everybody,

In the menu "quiz result" I can import a CSV.

This CSV is about result of the quiz , but I would like a CSV about Answers of the quiz. And a just one answer!! Because I use a free text question

Is it possible ? if yes how ?

thanks

Hello,

It can be implemented as a custom feature.

Regards,
ARI Soft

thanks,

But i'm not a great developer :(, so could you give me an example of the code and where I have to apply it please
