
full licence key

Posted by kocsinan - 2008/07/02 23:38

I have paid for ari Quiz component by paypal on 19.05.2008 and have mail for Receipt for my Payment to 2Checkout.com 75 (USD). Money already had been charged from my account and in you mail you were saying that after a few days I will get my full licence key.

it was one and half month ago and still I didn't get my full licence for that component and trial time finished.

Can you help please.

its embarrassing to having this problem agains my client.

Thanks

Sinan

Hello,

We've sent you the full license key. Please check your mail.
