
Time Zone Problem..

Posted by enginbasturk61 - 2014/08/28 19:14

Hi...

In mod_ariquiztopresult, I want to show my results daily, weekly and monthly.

But I am not able..

When I have the setting of day, it show the same top result, for week and month also it show the same results.

I did not observe any changes in module...

Why? http://www.ari-soft.com/images/fbfiles/images/2014_08_28_120039.png

Hello,

Could you provide a link to a page where you use the module and a temporary access to your J! backend by email so we can investigate the problem?

Regards,
ARI Soft
