
Make question title invisible

Posted by enginbasturk61 - 2014/09/02 08:30

Hi I do not want the show question 1, question 2 etc in my quiz... How can I make it invisible.. see the picture

Hello,

Add the following CSS rules:

```
#ariQuizContainer DIV.aq-question-title {display: none;}  
#ariQuizContainer DIV.aq-question-content {padding-left:12px;}
```

Regards,
ARI Soft
