## Error: problem connecting to server

Posted by Marsm - 2014/09/24 10:38

---

Hi,  
I have the same problem when starting a quiz as the post before. I updated to Joomla 3.3.4.  
See <http://www.demo.virtuelesruimte.nl/>, login with name: demo2 and ww: demo. Choose menu: oefeningen - hl  
oefeningen - hl oefeningen fase 1.  
Thanks, Marsm

Hello,

Could you provide a temporary access to your J! backend by email so we can investigate the problem? It seems this is a problem with a 3rd party extension.

Regards,  
ARI Soft
