
Font size of quiz link

Posted by Garrons - 2014/12/30 19:52

Hi!

Can please somebody help me to discover how to change font size of a quiz link such as this one... ?
Thanks a lot :)

Hello,

Add the following CSS rule to a site template file and clean browser's cache:

A.aq-quiz-link {font-size:20px;}

Regards,
ARI Soft
