
Button is missing, when image in quiz

Posted by 121261 - 2015/01/28 00:49

Hi there

When insetting an image in a quiz question, the "save" button is gone.??

http://www.ari-soft.com/images/fbfiles/images/button_is_missing.jpg

Please advise and help

Best regards

Bison

Hello,

Send a link to a page where the problem occurs.

PS: Do you use "ARI Quiz Anywhere" plugin?

Regards,

ARI Soft

Hi ARI Soft

Here is the link:

<http://www.kameratest.dk/quiztest>

And YES we use extensive the plugin "ARI Quiz Anywhere"

Best regards
