
Sorting Questions

Posted by enginbasturk61 - 2015/03/14 18:49

Hello! I have created multiple quizzes and I have noticed that we can sort questions by name or category but we can not sort them by ID the default setting is Name..

Is it possible to have this modification.. It creates much problem for me

Hello,

The extension supports ability to sort questions by ID and Question fields in "Question bank". The extension sorts question by "Order" field inside a quiz.
