## How to find my incomplete test?

Posted by dodanhkhoa - 2015/03/28 14:21

---

Hi, I'm doing a test and I want to pause it and logout. After that, I log in again and want to find my doing-test easily in another menu. Have you got any module which can put my doing-tests in another menu?

Hello,

It can be implemented as a custom development. If you are interested in it, we can discuss details by email.
