
Question : can you embed images into the quiz page

Posted by dimitar.s.velev - 2015/06/11 09:26

Can you embed images or other media (for instance - videos) directly from ARI Quiz or do you have to do it through joomla itself?

Hello,

It is possible to use Joomla! WYSIWYG editors for quiz description, questions and answers. They are supported ability to insert images.

Regards,
ARI Soft
