
All page refreshes after every answer

Posted by LoungePound - 2015/06/29 08:51

Dear sir!

I've encounterede a problem that all page refreshes after every quiz answer (including website logo etc), so it takes quite a while to pass the test. Is it possible to refresh just the question/answer part?

Best regards

Hello,

Do you use "ARI Quiz" or "ARI Quiz Lite"?

"ARI Quiz Lite" doesn't support ability to load questions via AJAX, but it is supported by "ARI Quiz" extension.

BTW, "ARI Quiz Lite" can be upgraded to "ARI Quiz". All quizzes from "ARI Quiz Lite" will be available in "ARI Quiz".
