Hello,

Changelog:

3.8.2
^ Better compatibility with site templates which use JParameter class

3.8.1
^ Add compatibility "Previous quiz" parameter with Joomla! 2.5

3.8.0
+ Possible to disable access to a quiz until the selected quiz is completed

3.7.6
+ "ARI Quiz Anywhere" plugin was updated

3.7.5
+ Add meta tags for results which shared via social networks

Regards,
ARI Soft

Hello,

3.8.3

^ "ARI Quiz Anywhere" plugin updated. It works correctly in IE.

^ Fixed bug with "Multiple Question" question type when "Save" didn't work properly.

Regards,
ARI Soft
