_____

for registered users reveals
https://ualinux.com/ru/component/ariquiz/?view=quizcomplete&ticketId=2bf07dd76a39da39a442a41335e173e9

but guests - shows the following
https://ualinux.com/ru/?option=com_ariquiz&view=message&msg=COM_ARIQUIZ_ACCESSERROR_UNKNOWN

where to set the right (*joomla 2.5) that would not registered user, too, could see the results ??

_____

Hello,

Check that "Results settings -> Share results" parameter is set to "Yes" in quiz settings.

Regards,
ARI Soft
