
Make ariquiz questions non copy

Posted by actionwave - 2015/08/04 15:02

Hello, i need to make the ariquiz questions non copy so users cant copy them and make a own website with my questions.

Is this possible by writing a code in the css? It is a big issue for me, i have reason to believe that users is steeling/copying my questions.

Thanks in advance!

Hello,

We can create a custom plugin which will disable copy function. If you are interested in it, we can discuss details by email.
