Hey!

Please see attached image.

The quiz timer text is outside the white box i was searching for the css codes but i couldent find it. Can you be so kind and provide the correct css codes and the location of the folder.

Thanks in advance!

Hello,

Could you provide a link to a page where the problem occurs? It seems this is a conflict with site template styles.

Hello,

Add the following CSS rule to a site template CSS file and clean browser's and Joomla! cache:

```
#ariQuizContainer .aq-time,  
#ariQuizContainer .aq-time * {box-sizing: content-box;}
```
