Save & New
Posted by sochart - 2015/11/04 17:55

_____

I think it could be handsome to
add a Save & New button in the question form to avoir to go back to the quiz list and have to click on New Question.

Several Joomla menus are like that and
it saves time.

Thanks for your support.

_____

Hello,

We will add it to a future version of the extension.

Regards,
ARI Soft
