
content plugin in explanation

Posted by illes635 - 2016/05/07 20:56

Hi,

is it possible to have content plugin (e.g. {gallery}images/{/gallery}) in explanation? (It seems it is not parsed)

Thanks,
Illes635

Hello,

The extension doesn't support ability to use content plugins in explanation.

Regards,
ARI Soft
