all questions on page

Posted by Roberto_Araujo - 2016/08/18 18:08

_____

to put all questions on page option appears only one question page

thanks

_____

Complete (or terminate) the previous quiz session and start a new one to apply new settings.

Regards,
ARI Soft

_____

ended the section cleared history, created new user and nothing
and the questionnaire has several issues and so carries a question
see the example in the image

_____

It seems something is configured wrong. Could you provide a link to a quiz where the problem occurs and a temporary access to your J! backend by email so we can investigate this issue?

Regards,
ARI Soft
