Hi there,
I'd be happy to have that to!

Is there a page with all the module available. I just bough the plugin yesterday and it's amazing.

Hello,

Sorry, but this topic about "ARI Quiz" extension for Joomla! CMS, but you have "ARI Stream Quiz". It is a WordPress plugin and these are two different products for different systems.

Oh I see, thank you.
Do you think something similar will be available for the wordpress plugin?
