## Export results from ARI Quiz

Posted by matii\_cap - 2016/09/19 15:55

---

Community,

How can i export all user's results (answer by answer), i really have to know who answered each one and if was the right answer.

Thanks!

Hello,

This feature can be implemented as a custom development.

Regards,  
ARI Soft

We can implement it as a custom feature for some fee. If you are interested in it send your order number by email and we will discuss details.
