
paging below buttons (next, prev, etc..)

Posted by radek - 2016/10/24 19:45

hi there,
i want to "paging" below all buttons "skip question, answer, next etc". So how to change css template?
thanks in advance

Hello,

See /components/com_ariquiz/views/question/tmpl/default.php template file.

Regards,
ARI Soft
