## **new question typs in version 4**

Posted by Marsm - 2016/11/03 11:35

---

Hello,

are you planning new questions types in the version 4 of AriQuiz? If yes, what kind of types?

Regards,  
Marsm

Hello,

For initial release we are planing to improve existing question types. If you have any ideas about new question types, feel free to share them.

Regards,  
ARI Soft

Hello,

one new questions type I think of is multiple hotspot.

Another idea is something with multiple images: the quetion comes with a number of images (img1, img2, img3, img4, etc.). For anwsering you have to click (or drag) these images in the right order, like img1, img3, img3, img4, img1, img4.

Regards,  
Marsm
