## Error on parcing?

I have ran into an error upon completion of a sample quiz

Parse error: syntax error, unexpected T\_FUNCTION in  
/home/content/81/4120081/html/lgnite/components/com\_ariquiz/controllers/quizcomplete.php on line 516

Is there something I have set correct in the configuration etc?

Hello,

It seems an old version of PHP is used on your site.
