
QUIZ Submit button

Posted by blues - 2016/11/23 03:46

Hi team,

Now if we have several pages for a quiz, we need to save each page. If we use Pre/Next (Generally, as we cannot edit answers after saved, so users will use Pre/next.), when we finished all, we still need to save page by page.

Is there any solution to submit with one button? Not waiting till timeover.

Thanks

=====

Hello,

Currently the extension doesn't support this ability.

Regards,
ARI Soft
