Hi

In question bank, there is mass edit for category and score...

I want to add more like random or view as well

which files needs to be modified...

Hello,

See the following files:

/administrator/components/com_ariquiz/models/forms/question/bankquestion_massedit.xml

and "update" method in /administrator/components/com_ariquiz/tables/question.php file.

Regards,
ARI Soft
