## TRY AGAIN

Posted by enginbasturk61 - 2017/03/11 15:30

---

Can you please mention which files needs to be modified in order to get TRY AGAIN button...

Thanks

Hello,

Open "Additional settings" tab on quiz settings page and set "Try again button" parameter to "Yes".

Regards,

You can find all files in new version of the extension by "TryAgain" keyword.
