## Add new cell Ari Quiz bank question

Posted by hayleg - 2017/04/03 08:07

---

Hi, I want to add one or two cell to bank question. is it possible?

My question is about geography. But this question is about the climate of an country. So I want to categorize the responsibility in detail.

Can I add subfields to the question bank like this?

Geography germany climate

=====
