Read this News

Are you planning to upgrade the mathematical plugin?

Thanks/

Hello,

An alternative path to MathJax library can be defined in "System - ARI Quiz MathJax" plugin settings. See "Link to MathJax" and "Secure link to MathJax" parameters.

Regards,  
ARI Soft

Those. Will it suffice to prescribe alternative ways? Changes to the plugin code is not required?

---

Just change link to MathJax library (to an alternative CDN), it should be enough.
