Hello!
In the admin panel, the quiz settings added the own field. Tell me how to save a quiz, you need to validate your field, how to do it?

/administrator/components/com_ariquiz/models/forms/quiz/quiz.xml

Hello,

For example if you want to add required validator for custom field with ID equals to "MyField", add the following code to appropriate section (see tag) in the XML file:

Regards,
ARI Soft
