
URGET: answer list format

Posted by aclm - 2010/08/05 20:51

Hello I would like to change the format of my answers to be letters.

Example:

- A. Answer 1
- B. Answer 2
- C. Answer 3
- D. Answer 4

NOT like this which is how it currently is.

- 1. Answer 1
- 2. Answer 2
- 3. Answer 3
- 4. Answer 4

I have tried to go into the quiz options and change the Answers Order Type : Alpha Lowercase but this does not seem to do anything.

Thank you,

ACLM

Hello,

Could you provide temporary access to your Joomla! backend by email that we can investigate this issue?
