## Problem with result's print form

Posted by doka7 - 2017/11/29 12:22

---

I see answer marks on the view form, but when i print it marks vanish. I need answer marks on print form. What to do?

Hello,

Could you send a link to a page where the problem occurs and a screenshot where possible to see what's wrong? If it is private, you can send it by email.

Regards,  
ARI Soft
