
Update Joomla!

Posted by selimozbay - 2017/12/01 07:40

Hi.

I update Joomla! to 3.8.2 but ari quiz is not working..

It does not show questions...

It gives problem about connection :/

Oops..!!

Wrong topic & i can not chance :/ i am sorry :/

Hello,

Do you use the latest version of the extension (3.9.12)?

Regards,

ARI Soft
