
Copy question to Question Bank

Posted by edwinfg - 2018/02/21 21:56

Hello, thanks for the software.

I created a quiz and the exercises there, I will like to have those exercises in the question bank, it is that possible? how?

Best,

Edwin F.

Hello,

If you want to copy questions from particular quiz to question bank, open quiz question pages, select questions which you want to copy and click "To Bank" button.
