Statistics for Admin
Posted by kitapokuyorum - 2010/08/16 17:55

_____

I want to get the statistics for each question that is answered by users. How many students answer correct one, how many students select answer a, b or c etc.

is it possible with current version of ariquiz?

_____

Hello,

Current version of the extension doesn't provide this ability.

Regards,
ARI Soft
