WEBSITE NAME/QUIZ URL/Question-81-3679a2e8fad7fd784925287479a43158

on my webside url shows like this, but i saw on a website the url does not show "Question-81-3679a2e8fad7fd784925287479a43158"

How can i hide them?

Thank you.

Hello,

It is not possible. Anyway sessionId will be in URL, as part of URL or GET parameter.
