Result Modules for Quiz

Posted by conduiraonline - 2019/07/30 12:32

_____

Hello team,

We aren't able to access result modules

Last result: shows N results of last passed tests
Top result: shows N best results of passed tests
User last result: shows N results of last passed tests for logged user
User top result: shows N best results of passed test for logged user

Kindly, help us locate and use them

_____

Hello,

Extension's installer offers to install the modules during installation process. They also can be found in com_ariquiz.zip archive. See backend/install/addons folder.

Regards,
ARI Soft
