
Embed audio in questions

Posted by xenofon - 2019/08/24 07:11

Hello I just bought Ari Quiz and I try to embed audio in questions with AllVideos but it doesn't work. Yes I have set Parse to Yes in Quiz settings. Any thoughts?

Hello,

Could you provide a link to a page where the problem occurs and specify what AllVideos shortcode you use to embed an audio file?

Regards,
ARI Soft
