
change background collar

Posted by MIYA - 2019/10/16 17:17

How do I change the background color of the quiz answer selection column from the default white color?

Hello,

Could you provide a screenshot where possible to see the element which you want to modify?

Regards,
ARI Soft

Can the white part of the screenshot be changed?

http://www.ari-soft.com/images/fbfiles/images/s_Screenshot_20191017_073007.jpg

If possible, please tell me how to change the background color of the result screen
