
File Upload

Does Ari Quiz have a provision to provide an answer by uploading file (pdf)

In an essay question, instructions are given which the author has to include in the essay's content, the author then writes their essay saves the file on their PC, laptop etc. and can then upload that file as the answer.

Thanks

Hello,

Hello Admin

Thanks for the update.

Are there any considerations for such a feature on the horizon, or would it fall into the custom feature?

Thanks
